## Max and Peggy Kriloff Student Travel Scholarship College of Arts and Sciences University of Miami

The Max and Peggy Kriloff endowment fund supports travel expenses for all full-time College of Arts and Sciences students presenting at scholarly/professional meetings. Students must have a **3.0 CGPA** or above at the time of application. Students are eligible only when actually on a conference program (i.e., presenting a paper, poster, or visual presentation for BFA/MFA students). If several students are co-authors of a paper, only one would usually be supported. If a student and faculty member are co-authors, the student would be supported only if s/he is participating in the presentation. The College will only accept applications from students who have secured departmental funding. The Kriloff travel award will not exceed \$250 or the amount committed by the department, whichever amount is smaller. If departmental funds are available for undergraduate travel support, undergraduate students must also apply for departmental funding. As with all University travel, recipients must elect the most economical flight and lodging options.
